NABII ZAMBIA UPDATES

The Small and Growing Businesses Financing Pathways Project Launched

As populations grow, hundreds of millions of jobs will need to be created in sub-Saharan Africa alone. Image: Unsplash

NABII Zambia and the World Economic Forum’s for COVID Alliance for Social Entrepreneurs launched the **Small and Growing Business (SGB) Financing Pathways Initiative**. The ultimate goal of the initiative is to find effective ways to unlock an increased flow of financing for SGBs by supporting on-the-ground ecosystem leaders in Zambia in advancing the design and implementation of potential pathways, and enhancing connections, sharing of best practices and collaboration between the local finance providers who are closest to the SGBs on the ground, and public and private, national, and multilateral capital providers.
