

Dear Impact Readers,

We are pleased to share the highlights of our work in the fourth quarter of 2021. We ended the year on a high note with the successful hosting of the first-ever Zambia Impact Investment Summit that yielded various opportunities that could be leveraged and actions required to build a robust impact investment ecosystem.

To our partners, thank you for the impact collaboration with us in 2021 to advance the growth of impact investment. We look forward to a continued working relationship as year 2022 unfolds.

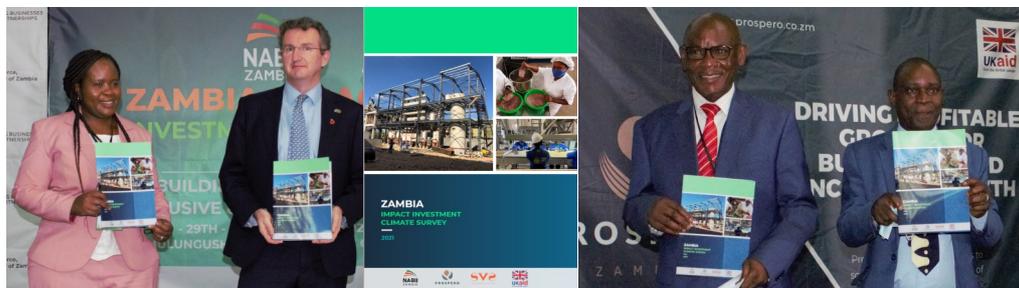

NABII ZAMBIA UPDATES

Hosted the 2021 Inaugural Zambia Impact Investment Summit

The two-day hybrid Summit was held on 29 - 30 November 2021 in partnership with Accelerated Growth for SMEs in Zambia Programme and supported by Prospero Zambia Limited. The Summit brought together leaders from business, government, donors, and civil society for collective action to shape a trajectory of the impact investment ecosystem in Zambia under the theme, Building a Sustainable, Inclusive and Green Recovery. You will receive an email capturing all the summit highlights, outcomes, and insights shortly. In the meantime, you can watch the edited summit session recordings [here](#).

Launched the 2021 Impact Investment Climate Survey Report: 29th November

NABII Zambia in partnership with Prospero Zambia and the Social Value Solutions launched the 2021 Impact Investment Climate Survey Report on 29th November, 2021.

The report offers data-driven insights on the Zambia impact investment climate, and evidence-based policy recommendations that can provide key input into reforms that are aimed at delivering a more conducive environment to support a private sector-

UPCOMING EVENTS

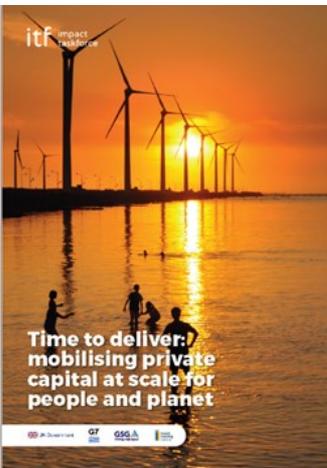

2022 Nkwashi Canoe Sprint Tournament

To stimulate local participation in the creative and tourism industry, Chena in collaboration with National Advisory Board of Impact Investment (NABII), Prospero, Women's History Museum and World Wide Fund for Nature Zambia (WWF) invites you to participate in the first ever Nkwashi Canoe Sprint Tournament.

The event will run over 21 Saturdays, kicking-off on the 12th of March and ending on the 13th of November 2022, bringing local businesses together to network and develop ecosystems that can spearhead sustainable economic recovery. Click [here](#) to register.

IMPACT READS

Time to Deliver: Mobilising Private Capital at Scale for People and Planet Report

This report provides the summary conclusions of the Impact Taskforce (ITF). It presents the case for urgent action, provides actionable recommendations and sets out a clear pathway as to how private capital can be mobilised at scale in support of key global sustainable development targets.

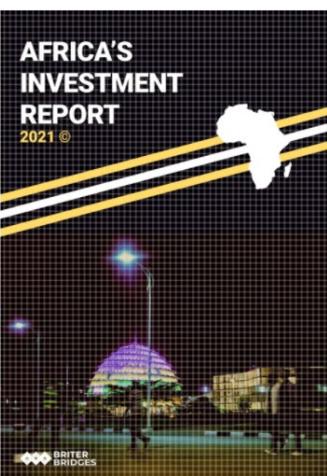

Download the report [here](#).

Regenerative Agriculture: An Opportunity for Businesses and Society to Restore Degraded Land in Africa

The report presents the case for regenerative agriculture (conservation agriculture and sustainable agro-forestry techniques) which could play a role within broader land restoration activities through contributing to mitigating risks in supply chains and building resilience to climate change by 2030 and beyond.
